

**2010
JAM**
JOINT ANNUAL MEETING

**Exhibit & Sponsor
Prospectus**

ADSA® . PSA . AMPA . ASAS
July 11-15, Denver, Colorado

<http://adsa.psa.ampa.asas.org/meetings/2010>

Invitation to Exhibit and Sponsor

Scientists, educators, marketers, account representatives, and others in the animal, dairy, and poultry industries – mark your calendars now for the 2010 Joint Annual Meeting of the American Dairy Science Association® (ADSA®), Asociación Mexicana de Producción Animal (AMPA), the Poultry Science Association (PSA), and the American Society of Animal Science (ASAS). This year's event will be held July 11–15, 2010, in Denver, Colorado. Don't miss the opportunity to interact with the membership of these four international associations.

As an international forum for professionals, educators, and students to gather vital information for the future of animal agriculture, the meeting will attract more than 2,700 scientists and researchers with diverse yet common interests from around the globe. Over 2,200 oral and poster presentations, 110 exhibits, and 35 symposia relating to food science, dairy production, animal and human nutrition, livestock transport, food safety, and production and management will be sought out by the world's leading animal, poultry, and dairy scientists.

With 300 days of sunshine a year and stunning Rocky Mountain views, Denver, Colorado, is the ultimate travel destination. Denver is easily accessed by land and air; downtown is a mere 25 minutes from Denver International Airport, which is a major airline hub and the fourth busiest airport in the United States. Denver is an easy city to get around on foot, by car, or by light rail. Downtown is pedestrian friendly, but you can also hop on the free shuttle that runs along the 16th Street Mall. Denver is the perfect blend of outdoor adventure and urban sophistication. With snowcapped peaks providing a spectacular backdrop, Denver is as refined as it is laid-back. It's a place where aerospace engineers rub elbows with rock climbers at local brewpubs, at art festivals, or while strolling their favorite pedestrian mall. Since its Wild West beginnings, Denver has attracted all kinds of people. With its rich history and diverse cultural heritage, Denver has something for everyone. It's easy to see why people fall in love with Denver the first time they visit.

Take advantage of the opportunity to be a very visible part of this well-attended gathering—make your decision to sponsor and exhibit today. You can find additional information about the meeting on the official meeting web site: <http://adsa.psa.ampa.asas.org/meetings/2010>.

Tentative Meeting Schedule

(Please note Sunday thru Thursday schedule)

Sunday, July 11	Monday, July 12	Tuesday, July 13	Wednesday, July 14	Thursday, July 15
Registration	Registration	Registration	Registration	Registration
Exhibit set up	Exhibits and posters	Exhibits and posters	Exhibits and posters	Scientific sessions
Pre-meeting symposia	Scientific sessions	Scientific sessions	Scientific sessions	(8 am – noon)
Triennial Lactation symposium	Exhibitors' reception	ADSA awards program	Closing reception	Post-meeting symposia
Late-breaking abstracts	ASAS awards program	Ice cream social	PSA awards program	
Opening session				
Opening reception				

Sponsorship Opportunities

The ADSA®-PSA-AMPA-ASAS Joint Annual Meeting offers numerous sponsorship opportunities for all companies, large and small. Recognition and benefits for sponsorship can be tailored to fit your company's needs. If you are interested in any of the following sponsorship opportunities, please contact one of the following representatives:

Peter Studney, ADSA; e-mail: sponsorship@assoqh.org; phone: (708) 386-3274

James Kessler or Jon Cole, PSA; e-mail: sponsorship@assoqh.org; phone: (217) 356-5285

Meghan Wulster-Radcliffe, ASAS; e-mail: sponsorship@assoqh.org; phone: (217) 621-4623

Claudio Arzola-Alvarez, AMPA; e-mail: sponsorship@assoqh.org; phone: (217) 356-3182 ext. 118

High-Profile Sponsorship

Abstract CD	Ice cream social	Refreshment breaks
Closing reception (Gold sponsorship required)	Meeting tote bags	Refreshment breaks in the exhibit hall
Cyber café	Onsite daily newsletter	Registration desk area
Exhibit hall reception	Opening session and reception	Symposium recordings
Hospitality room	Poster session	Wireless computer lounge

Symposia and Strand Sponsorships

Select from any of the following specialized symposia to showcase your involvement in a specific research area. Each symposium is available for exclusive sponsorship (\$10,000). Additionally, strand sponsorships (\$2,000 each) are available in these areas:

Animal and poultry behavior and well-being	Goats	Production, management and the environment
Animal and poultry health	Growth and development	Poultry
Beef	Horses	Reviewers' workshop
Bioethics	International animal agriculture	Ruminant nutrition
Breeding and genetics	Lactation biology	Sheep
Companion animals	Meat science and muscle biology	Swine
Cell and molecular biology	Milk proteins and enzymes	Teaching: Graduate and undergraduate education
Dairy foods	Mixed models	Triennial growth symposium
Extension education	National extension workshop	
Food safety	Nonruminant nutrition	
Forages and pastures	Physiology and endocrinology	

Enjoy the Benefits of Being a Sponsor

Platinum Level: \$20,000+

- Complimentary exhibit booth (includes two full meeting registrations)
- Two additional complimentary full meeting registrations
- Recognition from the podium at the opening session
- Event naming rights
- Company listing in the program book and abstract CD
- Signage at the meeting
- Post-meeting attendee list
- Company listing on the meeting web site
- Link to company web site from meeting web site
- Listing in onsite newsletter
- Listing & recognition in *Taking Stock* and *ADSA News*

Gold Level: \$10,000 to \$19,999

- Complimentary exhibit booth (includes two full meeting registrations)
- One additional complimentary full meeting registration
- Event naming rights
- Company listing in the program book and abstract CD
- Signage at the meeting
- Post-meeting attendee list
- Company listing on the meeting web site
- Link to company web site from meeting web site
- Listing in onsite newsletter
- Listing & recognition in *Taking Stock* and *ADSA News*

Silver Level: \$5,000 to \$9,999

- One complimentary full meeting registration
- Company listing in the program book and abstract CD
- Signage at the meeting
- Post-meeting attendee list
- Company listing on the meeting web site
- Link to company web site from meeting web site
- Listing in onsite newsletter
- Listing & recognition in *Taking Stock* and *ADSA News*

Bronze Level: \$2,500 to \$4,999

- Company listing in the program book and abstract CD
- Signage at the meeting
- Post-meeting attendee list
- Company listing on the meeting web site
- Link to company web site from meeting web site
- Listing in onsite newsletter
- Listing & recognition in *Taking Stock* and *ADSA News*

Donor Level: \$1,500 to \$2,499

- Company listing in the program book and abstract CD
- Signage at the meeting
- Company listing on the meeting web site
- Link to company web site from meeting web site
- Listing in onsite newsletter
- Listing & recognition in *Taking Stock* and *ADSA News*

Contributor Level: up to \$1,499

- Company listing in the program book and abstract CD
- Signage at the meeting
- Company listing on the meeting web site
- Listing in onsite newsletter
- Listing & recognition in *Taking Stock* and *ADSA News*

===== Sponsorship Pledge Form =====

Go to <http://adsa.psa.ampa.asas.org/meetings/2010/sponsorship> and complete your sponsorship information online or complete and fax/mail the following form.

Please accept the following donation in support of the ADSA®-PSA-AMPA-ASAS 2010 Joint Annual Meeting. I understand that we will be invoiced for the sponsorship and will receive all of the benefits for sponsors at the level described above. Further, I understand that once all of the expenses are met for the event sponsored, any excess funds will be used to cover general meeting expenses.

Platinum (\$20,000+)

Gold (\$10,000–\$19,999)

Silver (\$5,000–\$9,999)

Bronze (\$2,500–\$4,999)

Donor (\$1,500–\$2,499)

Contributor (up to \$1,499)

Event/symposium/speaker I wish to sponsor _____

Company name (as it is to appear when listed) _____

Corporate Sustaining Member
Corner \$1,200
Interior \$900

Non-Profit Organization
Interior \$700

Rules and Regulations for Exhibiting at the 2010 ADSA®-PSA-AMPA-ASAS Joint Annual Meeting

1. All booths must be set up and ready for the official opening of the Exhibit Hall. Opening time is specified in the exhibit prospectus. All exhibits shall be adequately staffed during show hours. **Due to liability considerations, exhibits cannot be removed or dismantled before the conclusion of the show, and/or while attendees are present.** Following the show, all exhibits and related materials must be removed promptly and no later than the time specified in the prospectus. Any exhibit material or property remaining shall be packed, shipped, or stored at the discretion of the Official Service Contractor at the expense of the exhibitor.
2. Exhibiting firms that decide to cancel space or reduce the size of their exhibit space are required to notify the Exhibits Coordinator in writing no later than **May 3, 2010**, to receive a 50% refund. It is the responsibility of the exhibitor to confirm that the ADSA-PSA-AMPA-ASAS office has received the cancellation. Reduction after space assignments have been made may result in relocation of the exhibit booth. **There will be no refunds for cancellations received after May 3, 2010.**
3. ADSA-PSA-AMPA-ASAS will attempt to assign the exhibitor to one of its requested spaces. Notwithstanding these requests, ADSA-PSA-AMPA-ASAS reserves the right to make its allocation of exhibit space or to change the space allocation at any time. The failure to allocate to an exhibitor the requested space will not in any way affect the enforceability of this agreement. The floor plan submitted by ADSA-PSA-AMPA-ASAS is believed to be generally accurate. ADSA-PSA-AMPA-ASAS offers booth dimensions based on industry standards, but makes no warranties or representations with respect to actual space measurements.
4. ADSA-PSA-AMPA-ASAS reserves the right to direct the show decorator to uncrate and set up any exhibit display that is on the floor in the booth, but not uncrated by one hour before opening time. This does not apply to unpacking boxes of the exhibitor's product, but rather to booth structures (shelving, backdrops, lights, etc.). The exhibitor will be invoiced for labor and other costs involved. Exhibitors may handle their own hand-carry materials in and out of the Colorado Convention Center; however, any materials requiring the use of equipment for delivery (e.g., dollies, forklifts, hand trucks) will be handled by local union personnel.
5. Exits and aisles must be clear of boxes and materials during show hours. Electrical lines must be accessible at all times.
6. Nothing shall be attached to any of the pillars, walls, doors, floors, et cetera, in such a manner as to deface or destroy the property. The use of cellophane or masking tape or similar products on painted or papered surfaces is strictly prohibited. All posters, signs, and similar advertisements should be posted on billboards designed for that purpose. Nails, hooks, tack, and screws must not be driven into pillars, walls, doors, or floors.
7. Exhibits must be designed and erected in such a manner as to avoid blocking the view of adjacent exhibits. Booths shall be constructed so that inline and peninsula booths do not exceed 8'3" (2.5 meters) in height and island booths do not exceed 12'0" (3.7 meters) in height. Inline and peninsula booths and all their contents are limited to 8'3" in height for the back 50% of the booth area and 4'0" in height for the front 50% of the booth area. No part of a booth or any attachment, sign, or extension of a booth may exceed these limitations, which will be strictly enforced. No booth shall be bridged or connected across the aisle in any way to an adjacent booth without the prior written consent of ADSA-PSA-AMPA-ASAS. Banners may be allowed at the discretion of the societies. Please contact the ADSA-PSA-AMPA-ASAS office if you are interested in hanging a banner.
8. Audiovisual and other noise-emitting equipment used in exhibits may not be operated in a manner that will disturb other exhibitors.
9. All demonstrations or other sales activities in the Exhibit Hall must be confined to the limits of an exhibitor's own exhibit booth. Distribution of literature may be done only from within the booth assigned to the exhibitor presenting such materials. Firms or organizations not assigned space in the Exhibit Hall will not be permitted to solicit business within the Exhibit Hall.
10. The character of the exhibits is subject to approval of the executive directors of ADSA-PSA-AMPA-ASAS, who reserve the right to refuse applications of unmet required or expected standards, as well as the right to curtail or to close exhibits, or parts of exhibits, that reflect unfavorably on the character of the meeting. This applies to displays, literature, advertising novelties, souvenirs, conduct of persons, etc.
11. Each exhibitor is charged with knowledge of and compliance with all laws, ordinances, and regulations pertaining to health, fire prevention, and public safety. All booth decorations must be flameproofed and comply with local fire codes, and all hangings must clear the floor. Electrical wiring must conform to National Electrical Code Safety Rules.
12. The exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, and hold harmless the American Dairy Science Association (ADSA), American Society of Animal Science (ASAS), Asociación Mexicana de Producción Animal (AMPA), Poultry Science Association (PSA), Federation of Animal Science Societies (FASS), and the Colorado Convention Center and its employees and agents from any and all claims, losses, and damages to persons or property; governmental charges or fines; and attorney's fees arising out of or caused by exhibitor's installation, removal, maintenance, occupancy, or use of the exhibiting premises or a part thereof, excluding any such liability caused by the sole negligence of the Colorado Convention Center. In addition, the exhibitor acknowledges that ADSA, PSA, AMPA, ASAS and the Colorado Convention Center do not maintain insurance covering the exhibitor's property and that it is the sole responsibility of the exhibitor to obtain business interruption, theft and property damage insurance covering such losses by the exhibitor.
13. Exhibitor agrees that failure to comply with the foregoing rules and regulations will cause harm to ADSA-PSA-AMPA-ASAS, and may result in a fine or denial of participation in one or more future meetings. Applications from exhibitors with a balance due will not be accepted until all amounts owing are paid in full.

About Each Society

American Dairy Science Association

Established in 1906, the American Dairy Science Association (ADSA) is an international organization of educators, scientists, and industry and government representatives who are committed to advancing the dairy industry. All are keenly aware of the vital role the dairy sciences play in fulfilling the economic, nutritive, and health requirements of the world's population. Together, ADSA members have discovered new methods and technologies that have revolutionized the dairy industry. Please visit www.adsa.org for more information.

ADSA Vision: Science, education and service for the dairy industry

ADSA Mission: The American Dairy Science Association provides leadership in scientific and technical support to sustain and grow the global dairy industry through generation, dissemination, and exchange of information and services.

Contact information

Phone: (217) 356-5146

E-mail: adsa@assoq.org

Asociación Mexicana de Producción Animal

The Asociación Mexicana de Producción Animal (AMPA) aspires to be the national association in animal production that has the highest technical interaction with national and international scientists and producers.

AMPA Mission: To promote animal science research and education through the exchange of scientific and technical information and applications to animal agriculture, public policy and public understanding.

Poultry Science Association

The Poultry Science Association (PSA) is a professional organization consisting of educators, scientists, extension specialists, administrators, and producers who are committed to advancing the poultry industry. Since 1908, the PSA has maintained a level of prestige that ranks it among the top professional organizations in the field. Please visit www.poultryscience.org for more information.

PSA Mission: The Poultry Science Association (PSA) is a global scientific society dedicated to discovery and dissemination of knowledge

generated by poultry research, that enhances human and animal health and well-being and provides for the ethical, sustainable production of food.

Contact information

Phone: (217) 356-5285

E-mail: psa@assoq.org

American Society of Animal Science

Established in 1908, The American Society of Animal Science (ASAS) is a professional organization for animal scientists designed to help members provide effective leadership through research, extension, teaching, and service for the dynamic and rapidly changing livestock and meat industries. Please visit www.asas.org for more information.

ASAS Vision: Leading source of new knowledge and perspectives in animal science

ASAS Mission: To discover, disseminate and apply knowledge for sustainable use of animals for food and other human needs.
