Application for membership in the American Society of Animal Science (ASAS) is invited from persons with interest in animal science and livestock production. In 2014, annual dues including access to the electronic version of the *Journal of Animal Science* are \$135 in the United States, Canada, and Mexico and in other countries. For those in the United States, Canada, or Mexico who wish to receive a paper copy of the journal, the additional fee is \$400. Student affiliate membership is granted to those who are certified by a professional member as a regularly enrolled college student who does not hold a full-time position at the time of application for, or annual renewal of, membership. Graduate student memberships (\$20 annually) and undergraduate student memberships (free) include access to the electronic version of the *Journal of Animal Science*. Postdoctoral fellows' membership dues are \$65. An institutional subscription (\$695 annually) entitles an institution Internet access to e-JAS within appropriate IP addresses. For an additional \$400 fee, institutions within the United States, Canada, and Mexico will receive a paper copy of the journal. For corporate subscriptions, please contact the ASAS office for pricing. Individual sustaining membership, \$375 per year. Applications for membership with remittance should be mailed to the ASAS Business Office.
