Joint 2000 Annual Meeting American Dairy Science Association and American Society of Animal Science Manuscript Submission and Copyright Release Form

This form must accompany manuscripts from presentations from the joint 2000 Annual Meeting of ADSA and ASAS that are being submitted for publication with the societies. Additional forms may be used to obtain the signatures of all authors. If the manuscript is not accepted for publication, this affidavit will have no legal effect and will be considered null and void.

Papers from this meeting will be published in Adobe Acrobat .pdf format as an online-only supplement of the *Journal of Dairy Science* of the American Dairy Science Association and/or the *Journal of Animal Science* of American Society of Animal Science. Arrangements are being made to ensure that these articles will be carried in major indexing services such as PubMed and CABI Abstracts.

Please complete all applicable information:

1. Manuscript title: _____

2. Symposium title: _____

Date _____ Time _____ Room _____ Abstr Num _____

Choose journal for publication: *Journal of Animal Science* _____ *Journal of Dairy Science* _____

3. Corresponding author name and address

E-mail _____ Phone _____ FAX _____

Publication costs: The *Journal of Dairy Science* and the *Journal of Animal Science* will charge a \$200 processing fee for all accepted papers.

Please check the following items.

_____ 4. I (we) affirm that I (we) have read this manuscript and that the content of this manuscript or a major portion thereof has not been published in a refereed or copyrighted publication and that this manuscript is not being submitted for publication elsewhere.

_____ 5. I (we) guarantee that if material has been previously published, in whole or part, permission has been obtained from author(s) and publisher for reproduction in this publication, and the authors have submitted copy for the credit lines with the manuscript. (Please attach permissions to this form)

_____ 6. I (we) affirm that any research that involved animals followed established standards for their care and use. Protocols used are described in the text. _____ Not applicable

_____ 7. (I we) affirm that this manuscript has been prepared according to the posted instructions for papers for this symposium (http://www.baltimore2k.org/ms_guline.htm)

8. Financial Disclosure: I (we) affirm that any affiliations with or involvement (competitive or friendly) in any organization or entity with a direct financial interest in the subject matter or materials discussed in this manuscript

(e.g., employment, consultancy, expert testimony) are noted below (if more space is needed, submit a signed statement). All financial research or project support is identified in an acknowledgment in the manuscript.

None _____ Other _____

9. Competition Disclosure: If this research was sponsored by a company developing or marketing a product in competition with the material or products that are the subject of this paper, describe below (if more space is needed, submit a signed statement).

Not applicable _____ Other _____

Author Proofs: Edited and formatted papers will be posted to the ADSA and ASAS web sites as .pdf files. The corresponding author will be given an opportunity to view the article and correct it before it is publicly posted.

10. Copyright release (check A, B, or C): Copyright laws make it necessary for the American Dairy Science Association and the American Society of Animal Science to obtain a release from authors for all materials published. To this end, we ask you to grant us all rights, including subsidiary rights, for your article. You are hereby relinquishing the American Dairy Science Association and/or the American Society of Animal Science all control over this material such as rights to make or authorize reports, to reproduce the material in other publications and formats, and to grant the material to others without charge in any book of which you are the author or editor after it has appeared in the Joint Online Supplement.

Whereas the American Dairy Science Association and the American Society of Animal Science are undertaking to publish this Joint Online Supplement, of which the undersigned is author of one or more parts, the author grants and assigns exclusively to these organizations for their common use any and all rights whatsoever kind or nature now or hereafter protected by the copyright laws (common or statutory) of the United States and all foreign countries in all languages in and the above-named work, including all subsidiary rights. The American Dairy Science Association and the American Society of Animal Science, in turn, grant to the author(s) the right of republication in any book of which (s)he is the author or editor, subject only to giving proper credit in the book to the original publication of the article. The author(s) will receive no monetary return from the American Dairy Science Association and/or the American Society of Animal Science for use of material contained in the manuscript.

_____ **A.** I (we) agree to the foregoing terms.

_____ **B.** This is to certify that the work was written by an employee of the U.S. government as part of his/her official duties; therefore it is in the public domain.

_____ **C.** I (we) agree to the foregoing terms except Item 10. I (we) are unable to sign a copyright release for the following reasons:
