

NOMINATIONS FOR AWARDS AND HONORS 2004

Rules and regulations for nominations for honors and awards may be found in the Appendix to the Bylaws of the PSA Constitution, Section F.2 or on the PSA website at <http://www.poultryscience.org/awards.pdf>. Where membership in the Poultry Science Association is a prerequisite for receiving an award or honor, it is the nominator's responsibility to verify the candidate's membership in the Association. Letters of transmission should state that verification has been received. Unsuccessful nomination packets are to be returned to the nominator with the option of revising and/or resubmitting for consideration in a future award period. Nominations should be submitted to the appropriate Awards Committee Chair by **January 5, 2004**, and all supporting materials are due to the Chair by **March 1, 2004** (failure to meet the January deadline, however, does not preclude submission of the packet as long as the March deadline is met). The Award Committee Chairs for 2004 are as follows:
