The River Walk offers attendees easy access to shopping, restaurants and hotels.

Schedule of Events

The meeting will kick off Sunday evening with the opening session and reception, and then continue with 3 ½ days of scientific sessions, ending on Thursday at noon. The 2007 opening session will feature Trent Loos as our keynote speaker. The complete schedule of events can be found on page 7 of this brochure, or online at <http://adsa.psa.ampa.asas.org/2007>. Notice to Abstract Authors

If you submit an abstract for the 2007 Joint Annual ADSA-PSA-AMPA-ASAS Meeting, but do not attend to present your paper or poster, acceptance of your abstract for the 2008 Joint Annual Meeting will be finalized only if you have preregistered for the 2008 meeting before April 9, 2008. In 2006, about 100 posters and several oral submissions were not presented. It is expensive for organizers to provide empty boards and disruptive to have no one on hand to present an oral paper. If, due to any reason, you find you cannot attend after you have preregistered, you need to arrange for a co-author to make your oral presentation. Once you've made alternative arrangements, contact FASS headquarters (abstract@assochq.org) to provide your change of information.

Notice to Oral Presenters and Invited Speakers

Please note that all session rooms will be equipped with a computer and LCD projector. All oral presentations and invited speaker presentations will be preloaded before the meeting. You will find complete preloading instructions and deadlines online at: <http://adsa.psa.ampa.asas.org/2007>. The deadline to preload is Monday, June 25, 2007.

Poster Presentations

We have dedicated a two-hour block each morning to poster presentations. The "open poster" sessions will be from 7:30 am to 9:30 am Monday, Tuesday, and Wednesday in the Convention Center, Exhibit Hall C. Oral sessions will begin at 9:30 am on Monday and Tuesday, 10:30 am on Wednesday and 8:30 am on Thursday.

Each poster presentation will be available for public viewing for the entire day, with the presenting authors present during the "open posters" time (7:30 am - 9:30 am). All posters must be mounted on the board one-half hour before the beginning of the day's session (**poster sessions open at 7:30 am so posters must be mounted on boards by 7:00 am**). The exhibit hall will open at 6:15 am, Monday, July 9 - Wednesday, July 11. **Posters must be removed after 5:00 pm each day.** Any posters remaining after 5:30 pm will be removed by the convention center staff and discarded.

The poster board surface area is 48 inches high and 96 inches wide; use of this space is dictated by the presenter with the following exceptions: the top of the poster space should include the abstract number, title, authors, and affiliations. The lettering for this section should be at least 1 inch high.

General Meeting Information **CONTINUED**

Locating the Correct Poster Board

Each poster board number corresponds to the abstract number as noted in the program. Monday posters will have an "M"; Tuesday posters a "T"; and Wednesday posters a "W" preceding the board number.

Notice to Attendees

Use of cameras, video cameras and cell phones (for calls or as cameras) is prohibited during oral and poster presentations to minimize disruption and unauthorized dissemination of data. Anyone found in violation of this policy will be asked to leave the session.

ARPAS Continuing Education Units

The 2007 ADSA-PSA-AMPA-ASAS Joint Annual Meeting has been approved for up to 21 continuing education units (CEUs) for the American Registry of Professional Animal Scientists certification requirements. Check the schedule of events for times and location of the ARPAS exams.
