## General Meeting Information

The American Dairy Science Association® (ADSA®) and the American Society of Animal Science (ASAS) will hold their 2008 Joint Annual Meeting and the ASAS Centennial Celebration in Indianapolis, Indiana, USA, July 7–11. This brochure provides meeting highlights, registration, and housing information. The meeting program WILL NOT be mailed to members; however, it will be posted online at <http://adsa.asas.org/meetings/2008/>, and a printed version of the meeting program will be available on site.

### ASAS Centennial Celebration

We will be celebrating the ASAS Centennial at the 2008 Joint ADSA-ASAS Meeting in Indianapolis, Indiana. To kick off the celebration we are having a party at the opening session featuring music by the Bellamy Brothers and a video retrospective highlighting the major accomplishments of the last 100 years of animal science and of the Society. In addition to the celebration at the opening session, all meeting attendees will receive a free copy of the ASAS Centennial coffee table book. As stated by David Ames, the ASAS Centennial coffee table book has been designed to describe pictorially, "What is Animal Science?" Within the program, historical papers will be incorporated into the program and presented as they were initially presented in oral presentations over the last 100 years—look for the "Centennial Paper" designation in the program. In addition, more than 30 historical exhibits will be on show throughout the exhibit hall. To ensure that during our Centennial we are not just looking at the past, but moving forward, we will be launching the new ASAS strategic plan during *Racing to Indy: The ASAS Open Forum* on Wednesday, July 9.

### Location

The Indiana Convention Center & RCA Dome is located in the heart of Indianapolis and within walking distance of numerous hotels and restaurants. Skywalks link the Indiana Convention Center and RCA Dome to seven premium hotels, including the Westin (ADSA Headquarters) and the Marriott (ASAS Headquarters). The compactness of downtown Indianapolis puts you within steps of dozens of restaurants including Ruth's Chris Steakhouse, St. Elmo's, Hard Rock Café, Palomino Euro Bistro, and Shula's. For a quicker bite, try Claddaugh's, the Slippery Noodle, or the Red Eye Café; they are all delicious Indianapolis staples. You are also steps away from theaters, nightclubs, museums, and shopping in the Circle Centre Mall.

### Schedule of Events: Please Note Schedule Change

The 2008 ADSA-ASAS Joint Annual Meeting and ASAS Centennial Celebration will be held July 7–11 (Monday through Friday). The opening session will be held on Monday evening, July 7; scientific sessions will kick off Tuesday morning, July 8, and run through noon on Friday, July 11. **Please note that this is a change from our normal schedule, so plan your travel and hotel stay accordingly.**

### The Triennial Lactation Symposium, joint with the Lactation Biology Symposium, will be held all day on Friday, July 11.

Also, we will welcome back the Mixed Models Workshop this year, to be held all day Thursday, July 10, and finishing up on Friday morning.

The 2008 opening session will feature a video retrospective showcasing the ASAS Centennial Celebration followed by concert with the Bellamy Brothers. Sunday, July 6 (preregistered only)	3:00 pm – 5:00 pm
Monday, July 7	11:00 am – 7:00 pm
Tuesday, July 8	6:30 am – 5:15 pm
Wednesday, July 9	7:00 am – 5:15 pm
Thursday, July 10	7:00 am – 5:15 pm
Friday, July 11	8:00 am – 5:15 pm

### Notice to Abstract Authors

If you submitted an abstract for the 2007 Joint Annual ADSA-ASAS Meeting, but did not attend to present your paper or poster, acceptance of your abstract for the 2008 Joint Annual Meeting will be finalized only if you have preregistered for the 2008 meeting before **April 9, 2008**. In 2006, about 100 posters and several oral submissions were not presented. It is expensive for organizers to provide empty boards and disruptive to have no one on hand to present an oral paper. If, for any reason, you cannot attend after you have preregistered, you must arrange for a co-author to make your oral presentation. Once you've made alternative arrangements, contact ADSA-ASAS headquarters ([abstract@assochoq.org](mailto:abstract@assochoq.org)) to provide your change of information.

### Oral and Invited Speakers

Oral sessions will begin at 9:30 am on Tuesday and Wednesday, 10:30 am on Thursday, and 8:30 am on Friday. Please note that all session rooms will be equipped with a computer and LCD projector. All oral presentations and invited speaker presentations will be preloaded before the meeting. You will find complete preloading instructions and deadlines online at <http://adsa.asas.org/meetings/2008/>. The deadline to preload is Tuesday, June 24, 2008.

# General Meeting Information CONTINUED

## Poster Presentations

We have dedicated a two-hour block each morning to poster presentations. The "open poster" sessions will be from 7:30 to 9:30 am Tuesday, Wednesday, and Thursday in the Convention Center, Exhibit Hall CDE.

Each poster presentation will be available for public viewing for the entire day, with the presenting authors present during the "open posters" time (7:30 – 9:30 am). All posters must be mounted on the board 30 minutes before the beginning of the day's session (**poster sessions open at 7:30 am so posters must be mounted on boards by 7:00 am**). The exhibit hall will open at 6:15 am, Tuesday through Thursday. **Posters must be removed after 5:00 pm each day.** Any posters remaining after 5:30 pm will be removed by the convention center staff and discarded.

Each poster board area is 48 inches high and 96 inches wide. Use of this space is dictated by the presenter, with the following exception: the top of the poster space should include the abstract number, title, authors, and affiliations. The lettering for this section should be at least 1 inch high.

## Locating the Correct Poster Board

Each poster board number corresponds to the abstract number as noted in the program. For Tuesday posters a "T", for Wednesday posters a "W", and for Thursday posters a "TH" precedes the board number.

## Notice to Attendees

Use of cameras, video cameras, and cell phones (for calls or as cameras) is prohibited during oral and poster presentations to minimize disruption and unauthorized dissemination of data. Anyone found in violation of this policy will be asked to leave the conference.

## ARPAS Continuing Education Units

The 2008 ADSA-ASAS Joint Annual Meeting has been approved for up to 21 continuing education units (CEUs) for the American Registry of Professional Animal Scientists (ARPAS) certification requirements. Check the schedule of events for times and location of the ARPAS exams.

## Continuing Education Credits for Veterinarians (RACE)

Many of the symposia at the 2008 ADSA-ASAS Joint Annual Meeting will be approved for RACE credits. We are in the process of having specific symposia approved. Following approval, symposia approved for RACE credits will be posted online at <http://adsa.asas.org/meetings/2008/>. Information regarding RACE can be found at [www.aavsb.org](http://www.aavsb.org).

## Accommodations

In order to receive the meeting discount, housing reservations must be made through the Indianapolis CVB Housing Bureau. Reservations may be made online by visiting <http://adsa.asas.org/meetings/2008/>, or by completing the housing form located online or on page 15 of this brochure. ## Transportation in Indianapolis

A new shuttle service is now in available at Indianapolis International Airport. IndyGo, Indianapolis' metropolitan transit system, has started a new round-trip shuttle service between the airport and downtown area. At a cost of only \$7 per person/per trip, the shuttle can be boarded at the Ground Transportation Center directly across from the airlines' baggage claim areas for transportation to the downtown area. The shuttle is affectionately called the Green Shuttle and has both the Indy logos on it and a green stripe. Due to the compact nature of the downtown area, drop off points are just steps from all the hotels, convention center, Lucas Oil stadium, and Circle Centre Mall. Service runs every 15 to 20 minutes beginning at 5:00 am and continues until 9:00 pm. Passengers may pay with credit card (Visa or MasterCard), exact fare on bus, or purchase fare passes in advance by calling (317) 635-3344, or online at [www.IndyGo.net](http://www.IndyGo.net).
