2015

ADSA® - ASAS

JOINT ANNUAL MEETING

July 12–16, ORLANDO, FLORIDA

EXHIBIT & SPONSOR

PROSPECTUS

www.jtmtg.org/2015
Mark your calendars now for the 2015 Joint Annual Meeting (JAM) of the American Dairy Science Association® (ADSA®) and the American Society of Animal Science (ASAS). As a global forum for professionals, educators, and students, the meeting will attract more than 3,000 of the world’s leading animal and dairy scientists with diverse but common interests in the future of animal science. The 2015 JAM will be held at the Rosen Shingle Creek Resort in Orlando, Florida.

**Advertisement Reservation Deadline:** April 6, 2015

**Advertisement Copy Submission Deadline:** April 6, 2015

Payment is due at the time of reservation.

---

**Sponsorship Opportunities**

The Joint Annual Meeting offers numerous sponsorship opportunities for all companies, large and small. Recognition and benefits for sponsorship can be tailored to fit your company’s needs. If you are interested in raising awareness of your company with this international, highly qualified audience, please contact

Larry Miller, ADSA Sales Director; sponsorship@jtmtg.org or (443) 262-8270

**High-Profile Sponsorships (starting at Gold level)**

- JAM Abstracts on USB flash drive with your logo and JAM logo (deadline for this commitment: April 1)
- Cyber café
- Hospitality room
- Meeting tote bags (co-sponsored with JAM)
- Onsite daily newsletter
- Opening session and reception
- Coffee and pastries in the exhibit hall
- Registration desk area
- Wireless computer lounge
- Coffee and pastries (poster sessions)

**Symposia, Triennial, Workshop, Pre- and Post-Event, Oral, and Poster Sessions Sponsorships**

The sponsor will be recognised on signage outside the session room, on the presentation template, and in the final program ($2,500, maximum of four sponsors). Each symposium is available for exclusive sponsorship ($10,000). A final list of symposia will be available in January 2015.

Individual oral sessions may be sponsored. The sponsor will be recognised on signage outside the session room and in the final program ($1,500 per oral session). Poster sessions may be sponsored. The sponsor will be recognised on signage in the poster section and in the final program ($2,500 per poster session).

**Cash and In-Kind Sponsors:**

- **Note:** Only nonmember invited speakers may be sponsored, with expense reimbursement per JAM policy. No exceptions can be made.

**Vendor-Sponsored Lunch Presentations Are Back!**

To provide Joint Annual Meeting exhibitors with a powerful new sponsorship option designed to get the word out about their research and great products and services, the JAM is again offering a limited number of vendor-sponsored lunch presentations for 2015. For more information, please contact sponsorship@jtmtg.org.
Sponsorship Reservation Form

Go to [http://www.JtMtg.org/2015/sponsorship.asp](http://www.JtMtg.org/2015/sponsorship.asp) to complete your sponsorship information online or complete and fax/mail the following form no later than May 1, 2015, to receive recognition in the final program book.

I understand that we will be invoiced for sponsorship of the 2015 Joint Annual Meeting and will receive all of the benefits for sponsors at the level described above. Further, I understand that once all of the expenses are met for the event sponsored, any excess funds will be used to cover general meeting expenses.

Interior $1,150

Corporate Sustaining Member
Corner $1,250
Interior $1,050

Nonprofit Organization
Interior $750
(limit one per FEIN)
1. All booths must be set up and ready for the official opening of the Exhibit Hall. Opening time is specified in the exhibit prospectus. Due to liability considerations, exhibits cannot be removed or dismantled before the conclusion of the show, and/or while attendees are present. Following the show, all exhibits and related materials must be removed promptly and no later than the time specified in the prospectus. Any exhibit material or property remaining shall be packed, shipped, or stored at the discretion of the Official Service Contractor at the expense of the exhibitor.

2. Exhibiting firms that decide to cancel space or reduce the size of their exhibit space are required to notify the Exhibits Coordinator in writing no later than May 1, 2015, to receive a 50% refund. It is the responsibility of the exhibitor to confirm that the Joint Annual Meeting (JAM) office has received the cancellation. Reduction after space assignments have been made may result in relocation of the exhibit booth. **There will be no refunds for cancellations received after May 1, 2015.**

3. JAM will attempt to assign the exhibitor to one of its requested spaces. Notwithstanding these requests, JAM reserves the right to make its allocation of exhibit space or to change the space allocation at any time. The failure to allocate to an exhibitor the requested space will not in any way affect the enforceability of this agreement. The floor plan submitted by JAM is believed to be generally accurate. JAM offers booth dimensions based on industry standards, but makes no guarantees or representations with respect to actual space measurements.

4. JAM reserves the right to direct the show decorator to uncrate and set up any exhibit display that is on the floor in the booth but not uncrated one hour before opening time. This does not apply to unpacking boxes of the exhibitor's product, but rather to booth structures (e.g., shelving, backdrops, lights). The exhibitor will be invoiced for labor and other costs involved. Exhibitors may handle their own hand-carry materials in and out of the convention center; however, any materials requiring the use of equipment for delivery (e.g., dollies, forklifts, hand trucks) will be handled by local union personnel.

5. Exits and aisles must be clear of boxes and materials during show hours. Electrical lines must be accessible at all times.

6. Nothing shall be attached to any of the pillars, walls, doors, floors, et cetera, in such a manner as to deface or destroy the property. The use of cellophane or masking tape or similar products on painted or papered surfaces is strictly prohibited. All posters, signs, and similar advertisements should be posted on billboards designed for that purpose. Nails, hooks, tacks, and screws must not be driven into pillars, walls, doors, or floors.

7. Exhibits must be designed and erected in such a manner as to avoid blocking the view of adjacent exhibits. Booths shall be constructed so that inline and peninsula booths do not exceed 8’3” (2.5 m) in height and island booths do not exceed 16’0” (4.8 m) in height, including hanging signs and graphics. Inline and peninsula booths and all their contents are limited to 8’3” in height for the back 50% of the booth area and 4’0” in height for the front 50% of the booth area. No part of a booth or any attachment, sign, or extension of a booth may exceed these limitations, except that hanging signage and graphics over a peninsula booth, not to exceed 16’0” in height, is permitted. End cap booths do not qualify for hanging signs. Limitations will be strictly enforced. No booth shall be bridged or connected across the aisle in any way to an adjacent booth without the prior written consent of JAM.

8. Hanging signs and graphics should be set back 10’ (3.05 m) from adjacent booths and be directly over contracted space only. Approval for the use of hanging signs and graphics, at any height, must be received from JAM at least 60 days prior to installation. Drawings should be available for inspection. Please contact JAM for information on banners.

9. Audiovisual and other noise-emitting equipment used in exhibits may not be operated in a manner that will disturb other exhibitors.

10. All demonstrations or other sales activities in the Exhibit Hall must be confined to the limits of an exhibitor's own exhibit booth. Distribution of literature may be done only from within the booth assigned to the exhibitor presenting such materials. Firms or organizations not assigned space in the Exhibit Hall will not be permitted to solicit business within the Exhibit Hall.

11. The character of the exhibits is subject to approval of JAM, which reserves the right to refuse applications of unmet required or expected standards, as well as the right to curtail or to close exhibits, or parts of exhibits, that reflect unfavorably on the character of the meeting. This applies to displays, literature, advertising novelties, souvenirs, conduct of persons, et cetera.

12. Each exhibitor is charged with knowledge of and compliance with all laws, ordinances, and regulations pertaining to health, fire prevention, and public safety. All booth decorations must be flame-proofed and comply with local fire codes, and all hangings must clear the floor. Electrical wiring must conform to National Electrical Code Safety Rules.

13. The exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, and hold harmless ADSA, JAM, and the Federation of Animal Science Societies (FASS), and the convention center and its employees and agents from any and all claims, losses, and damages to persons or property; governmental charges or fines; and attorney’s fees arising out of or caused by exhibitor’s installation, removal, maintenance, occupancy; or use of the exhibiting premises or a part thereof; excluding any such liability caused by the sole negligence of the convention center. In addition, the exhibitor acknowledges that JAM and the convention center do not maintain insurance covering the exhibitor’s property and that it is the sole responsibility of the exhibitor to obtain business interruption, theft and property damage insurance covering such losses by the exhibitor.

14. Exhibitor and sponsor activities not described in this prospectus are prohibited during conference hours (7 am to 5 pm; 7 am to noon on the final day of the conference). Sponsors and exhibitors are asked to avoid scheduling events that coincide with evening award programs, whenever possible.

15. Exhibitors and sponsors agree that failure to comply with the foregoing rules and regulations will cause harm to JAM and may result in a fine or denial of participation in one or more future meetings. Applications from exhibitors and sponsors with a balance due will not be accepted until all amounts owing are paid in full.
About Each Society

American Dairy Science Association®

The American Dairy Science Association (ADSA®) is an international organization of educators, scientists and industry representatives who are committed to advancing the dairy industry, and keenly aware of the vital role the dairy sciences play in fulfilling the economic, nutritious and health requirements of the world’s population. Together, ADSA members have discovered new methods and technologies that have revolutionized the dairy industry. Please visit [http://www.adsa.org/Membership/BenefitsofMembership.aspx](http://www.adsa.org/Membership/BenefitsofMembership.aspx) for the many benefits of membership.

**ADSA Vision**: Science, education and service for the dairy industry

**ADSA Mission**: The American Dairy Science Association provides leadership in scientific and technical support to sustain and grow the global dairy industry through generation, dissemination, and exchange of information and services.

**Contact information**
Phone: (217) 356-5146
E-mail: adsa@adsa.org

American Society of Animal Science

Established in 1908, The American Society of Animal Science (ASAS) is a professional organization for animal scientists designed to help members provide effective leadership through research, extension, teaching, and service for the dynamic and rapidly changing livestock and meat industries. Please visit [www.asas.org](http://www.asas.org) for more information.

**ASAS Vision**: Leading source of new knowledge and perspectives in animal science

**ASAS Mission**: To discover, disseminate and apply knowledge for sustainable use of animals for food and other human needs.

**Contact information**
Phone: (217) 356-9050
E-mail: asas@asas.org
